WELCOME

Dear prospective scholars and guardians,

I am privileged to welcome you all to Global College of Management (GCM), a centre of your choice for focused management studies. The college has been offering higher secondary through post graduate level programs since its establishment in 1998. Realizing the need of efficient managers and innovative entrepreneurs in this competitive business environment, the college has adopted the single door policy i.e. special focus on management studies from +2 through MBS. We are specialized in this area and aspire to produce specialized human resources.

The college is dedicated to combining rigorous academic study with practical application in order to prepare students for the 'real world'. Learning takes place both inside and outside of the classroom and success has been demonstrated by our students in both ways. They have demonstrated this through their excellent academic achievements in the examinations and their active participation in co-curricular and extra-curricular activities. I have made my efforts persistent to keep GCM philosophy intact with self controlled discipline in the students and faculty members, social values and norms of academic contexts at hand. Our students, within the border line of discipline, values and standard set by the college, feel very comfortable to participate in a friendly learning environment.

Within a short span of time, GCM has been established as an excellent center for management studies by the perpetual combined efforts and cooperation of faculties, students, guardians, staff, society and the college management. I further express sound commitment to making our endeavors student-centered and take pleasure to assure the best possible education to all the expectants of management studies. I look forward to receiving you with warm welcome for working together to achieving your goals.

Nar Bahadur Bista
Principal

Global College of Management (GCM), under the ownership of Pro-Ed. Ltd., is an English medium co-educational institution. The promoting team of the GCM consists of academicians, researchers, entrepreneurs and professionals in considerably renown both at home and outside. The College has been running +2 (Management), Bachelor of Business Studies (BBS) and Master in Business Studies (MBS) programs. The +2 program is affiliated to Higher Secondary Education Board (HSEB) and BBS and MBS programs are affiliated to Tribhuvan University (TU).

Global College of Management

AN EXCELLENT CENTER FOR MANAGEMENT STUDIES

The college occupies peaceful surrounding and spacious land area at Basuki Marga, Mid- Baneshwor -34, the prime location of metropolis Kathmandu. The campus area of the college comprises appealing operating infrastructure with various sections for both technical and administrative support to academic endeavors of everyday.

Keeping the convenience measures in mind, students for +2 programmes are granted choice of morning and day shifts as per their need. Both BBS and MBS programmes are operated in the morning shift only. The college has also provided physical facilities to run Master's program in Conflict, Peace and Development Studies in the evening shift under TU.

The primary aim of the college is to prepare higher, middle and junior level human resource to meet the needs of business, industry and government in different functional areas of management. GCM programs are delivered in a way so as to facilitate students to work as proficient managers in most competitive business environment. Graduates and Post Graduates of GCM are perfectly developed to pursue executive ranks in business, industry, government and non-government sectors in the areas like accounting, marketing, finance, general management, hotel management, travel and tourism and so on.

The management of the college has a firm belief that students can best be prepared as the distinct and useful human resource of tomorrow only through academic environment backed up by relevant and comfortable physical facilities. The college imparts education to students in congenial environment equipped with work effective facilities at affordable cost. Comfortable class rooms with sizeable capacity, seminar hall, and computer lab with unlimited internet access, audio-visual facilities and resourceful library are some of the outstanding examples of GCM infrastructure set up.

"GCM, a complete and branded academic center, has paved the path of success in my education. I am thankful to teachers who reposed immense faith on me and constantly motivated me to outshine everyone else."

Teaching methodology at GCM is modern and virtually student-centered. It is supported by much updated teaching learning techniques that involve active classroom participation of students and faculties. The multiple teaching methods are: in-depth textual analysis and comprehensive in-class exercise, studies and analyses of Nepalese business cases.

The college has been using the following teaching methods and aids to excel the teaching-learning process. * Presentations * Multimedia * Digital Library * Audiovisual facilities * Group discussion and syndicate exercises * Project works * Online assignments and instructions. All these techniques are tested and trusted active teaching learning means in the modern academics.

ATTENDANCE AND EVALUATION

To achieve the target objective of active learning, attendance and evaluation are the integral parts of regular study program. Attendance and evaluation at GCM are undertaken in the modules as follows:

- Electronic card based automatic attendance recording and regular follow up system.
- Minimum of 90 percent attendance of total working days in order to qualify to appear the final examinations.
- Compulsory pass out through three unit and three terminal tests.
- Computerized data base of examinations and personal records of each student to disseminate immediate suggestions/actions for improvements.
- Regular monitoring and feedback after each and every student activity at their personal ground to be conveyed to guardians.

SOCIAL EVENTS

Promoting active participation in social events and in needed hour, a noble concept of social responsibility is intently instilled in the students at GCM. To achieve this goal, students are highly motivated for active participation and encouraged to lend supportive hands to the needed section in the immediate vicinity and across the nation. GCM scholars regularly participate in social events like social awareness program, blood donation, fund collection campaigns during natural calamities and many more voluntary social services.

CODES OF CONDUCT

Living in a society requires everyone to abide by rules in order to achieve the celebrated values of the society. GCM is a society of professionals and aims at imparting quality education along with high degree of social respect and morality. Therefore, GCM gives importance to right attitude and discipline.

WRITING AND PUBLISHING

GCM regularly offers writing competitions throughout the year. Students themselves are involved in such programs and also publish newsletters and college magazines. In addition, a wide range of contests like debates, quizzes, music, singing and more... are organized on the occasions. Utmost care is given to ensure the participation of every individual student.

INDUSTRIAL VISITS

The college has established official links with many business houses in and out of Kathmandu valley so that students have an opportunity to visit and explore various business related skills, components and commercial culture system. These industrial visits and internships help to build up self confidence in students as well as gain practical experience. GCM organizes industrial visits for students of business studies, hotel management and travel and tourism.

"Academic excellence doesn't matter unless you enrich your knowledge of concerned career in a subtle environment and I assure you that GCM meets this requirement."

- Kamala Khatiwada, BBS Topper at GCM (2006-09)
Currently studying MBS at Global College

Keeping the value of changing paradigms of pedagogy on top priority, the college has embraced the most celebrated and modern teaching learning approaches supported by functional methods and updated techniques.

MESSAGE FROM THE PROGRAM DIRECTOR

Dear students and guardians, I feel proud to announce that MBS, TU affiliate post graduate degree at GCM, is indeed a model academic program under operation in direct involvement and supervision of renowned professors and dignitaries from management related subject areas. From my capacity as the program director for this level, I have ever strived to incorporate skill oriented pedagogy apart from the theoretical teaching learning activities. MBS at GCM is completely practical, research based and project oriented program and to attain this end, the scholars are geared to 'learning by doing' pattern. The central thrust of the curricula of MBS is placed on the internship, industrial tours, project making and presentation, self expediting of the career prospects under the caring guidance of professors and faculties. Context relevant seminars, workshops and market study exposure programs are part of regular curricula of MBS at GCM. I take pleasure to conclude that MBS at GCM is valuable academic program leading your future to prospective end. I, thus, invite all the potential and career seeking young women and men to gain incredible experience of this opportunity.

Ganga Dhar Dahal
Program Director

GCM ACHIEVEMENTS

COUNSELING AT GCM

The college management believes that students not only consolidate their professional confidence through completing the prescribed course of studies, but also services that aim at student problem solving result into miracles for them. The college administration believes on counseling pedagogy in lieu of penal measures applied to bring correction on student discipline measures. Comprehending the same, it is taken as a part of regular curricula at GCM. In addition, career counseling is follow up program besides course counseling offered along the enrolment process operative throughout the academic sessions. Students are frequently exposed to expert counselors and full time counselors are deputed to support the students in their need.

GCM has lent special focus on cognitive co-curricula apart from academic subject knowledge domain with a view to helping the students build up confidence and enhance life skills, as the special requisites for behavioral domain. The college has constantly ensured commendable achievement at various levels from the very beginning of its foundation. Outstanding board & university results are super achievement indicators to be undertaken for comprehensive view of the quality guaranteed in the field of management studies by the college till the date. The students have frequently experienced distinct performance accreditations on successful accomplishment of board & university final examinations. Dear students, parents and Guardians,

Global College of Management has left no stone unturned to achieving today's academic height under academically sound management team that vowed to develop GCM into a quality educational institution for those students who aspire to excel and conquer something meaningful in their life professionally. A retrospection view reveals that the progress achieved thus is not far from being decent. We are, however, not being complacent. Identically, I feel confident to reiterate our commitment to promoting close relationship with the business studies and industrial community, making our institution an exciting one to associate with. Dynamic and deserving students of business studies are best served at GCM, we would like to make it loud and clear. In this relatively short period of time, the management team has considerably succeeded in carving out a distinct and unique position for GCM in the educational arena of Nepal. Quality education guaranteed at GCM and the associated costs simply reflect our determination to create a healthy competitive environment in Nepalese education sector. We expect cooperation of everybody in our noble endeavor toward providing affordable quality education in Nepal.
