Scholars at GCM are granted plenty of opportunities for group and self study which is not merely within the classroom walls but also beyond and out in the college greenery where they learn in the harmony of nature and in collaborative front.
Dear prospective students and guardians,

I take this opportunity to welcome all the eagerly waiting scholars from across the nation to Global College of Management for +2 level affiliated to Higher Secondary Education Board (HSEB), and BBS and MBS level affiliated to Tribhuvan University of Nepal. Global College of Management (GCM) has become the first choice of the young scholars seeking to explore their career goal with higher achievements. GCM offers an excellent learning environment to students preparing them for higher education and career in the field of management and business administration. Upon graduation from GCM with remarkable grades, students are eligible for admission in Nepal as well as across the world in CA, BBA, BHM, MBA and other management programs at University level.

We believe that students must be supported for profound physical, mental and moral growth with an end to building character and since the inception of the college we have ever strived adamantly to help our scholars achieve the same. Our senior professors and teachers along with round the clock hardworking staff have always dedicated their full affection, friendly behavior and endless hard-work to look after each individual student at Global College. The curricular and co-curricular activities at GCM have contributed to promoting students' critical and innovative thinking and writing skill required for further higher studies and prospective professional career. The historical performance records show that the Global College students are humble, hard-working, passionate to learn and result oriented, which they manifest while studying at the college. GCM has ever been a unique place for the teenagers and youngsters to groom their overall personality through its excellent academic, disciplined and student friendly environment.

An efficient team of management and teachers as well as highly potential students has made GCM, at this date, an apparently excellent center for post S.L.C. level studies in Nepal. I further invite with assurance all students to Global College of Management who are in quest of a right place for management education for +2 (HSEB), BBS and MBS (TU) level to experience their potentials being nurtured with complete scope in an outstanding academic setting within Nepal.

Dr. Khagendra P. Ojha
Principal
Global College of Management (GCM), under the ownership of Pro-Ed. Ltd., is an English medium co-educational institution. The promoting team of GCM consists of academicians, researchers, entrepreneurs and professionals in considerably renown both at home and outside. The College has been running +2 (Management), Bachelor of Business Studies (BBS) and Master in Business Studies (MBS) programs. The +2 program is affiliated to Higher Secondary Education Board (HSEB) and BBS and MBS programs are affiliated to Tribhuvan University (TU).

The college occupies peaceful surrounding and spacious land area at Basuki Marga, Mid- Baneshwor -34, the prime location of metropolis Kathmandu. The campus area of the college comprises appealing operating infrastructure with various sections for both technical and administrative support for academic endeavors of everyday.

Keeping the convenience measures in mind, students for +2 programmes are granted choice of morning and day shifts as per their need. Both BBS and MBS programmes are operated in the morning shift only. The college has also provided physical facilities to run Master’s program in Conflict, Peace and Development Studies in the evening shift under TU.

The primary aim of the college is to prepare higher, middle and junior level human resource to meet the needs of business, industry and government in different functional areas of management. GCM programs are delivered in a way so as to facilitate students to work as proficient managers in most competitive business environment. Graduates and Post Graduates of GCM are perfectly developed to pursue executive ranks in business, industry, government and non-government sectors in the areas like accounting, marketing, finance, general management, hotel management, travel and tourism and so on.

The management of the college has a firm belief that students can best be prepared as the distinct and useful human resource of tomorrow only through academic environment backed up by relevant and comfortable physical facilities. The college imparts education to students in congenial environment equipped with work effective facilities at affordable cost. Comfortable class rooms with sizeable capacity, seminar hall, and computer lab with unlimited internet access, audio-visual facilities and resourceful library are some of the outstanding features of GCM infrastructure.
Informal but intensive and self-initiated efforts bring GCM scholars together to attain critical and creative thinking ability in the academic environment enriched with top-notch reference resources.
The company, founded on private efforts, has significantly been contributing to cater quality education to supplement the need of higher education felt to be inadequate from public efforts and interventions only. The private efforts as such are subject to high regard due to immense support and contribution by assuring the tremendously felt need of quality education at home. In this endeavor, Pro-Ed Ltd. has been steadily speedy on involving a large number of professionals in its mission of institutionalizing primary to higher education to ensure learning at par with global standard integrating local social values for the young generation. GCM PEDAGOGY

GCM Teaching Approach

Keeping the value of changing paradigms of pedagogy on top priority, the college has embraced the most celebrated and modern teaching learning approach supported by functional methods and updated techniques.

TEACHING METHODOLOGY
Teaching methodology at GCM is modern and virtually student-centered. It is supported by much updated teaching learning techniques that involve active classroom participation of students and faculties. The multiple teaching methods are: in-depth textual analysis and comprehensive in-class exercise, studies and analyses of Nepalese business cases.

The college has been using the following teaching methods and aids to excel the teaching-learning process. * Presentations * Multimedia * Digital Library * Audiovisual facilities * Group discussion and syndicate exercises * Project works * Online assignments and instructions. All these techniques are tested and trusted active teaching-learning means in the modern academics.

ATTENDANCE AND EVALUATION
To achieve the target objectives of active learning, attendance and evaluation are the integral parts of regular study program.

Attendance and evaluation at GCM are undertaken in the modules as follows:
- Electronic card based automatic attendance recording and regular follow up system.
- Minimum of 90 percent attendance of total working days in order to qualify to appear the final examinations.
- Compulsory pass out through three unit and three terminal tests.
- Computerized data base of examinations and personal records of each student to disseminate immediate suggestions/actions for improvements.
- Regular monitoring and feedback after each and every student activity at their personal ground to be conveyed to guardians.

SOCIAL EVENTS
Promoting active participation in social events and in needed hour, a noble concept of social responsibility is intently instilled in the students at GCM. To achieve this goal, students are highly motivated for active participation and encouraged to lend supportive hands to the needed section in the immediate vicinity and across the nation. GCM scholars regularly participate in social events like social awareness program, blood donation, fund collection campaigns during natural calamities and many more voluntary social services.

CODES OF CONDUCT
Living in a society requires everyone to abide by its rules and regulations in order to achieve the celebrated values at par. GCM is a society of professionals and aims at imparting quality education along with high degree of social respect and morality. Therefore, the college gives importance to right attitude and discipline.

WRITING AND PUBLISHING
GCM regularly offers its scholars with an opportunity of writing competitions throughout the year. Students themselves are involved in such programs and also publish newsletters and college magazines. In addition, a wide range of contests like debates, quizzes, music, singing and more... are organized at several occasions. Utmost care is given to ensure participation of every individual student.

INDUSTRIAL VISITS
The college has established official links with many business houses in and out of Kathmandu valley so that students have an opportunity to visit and explore various business related skills, components and commercial culture system. Industrial visits and internship programs as such help to build up students’ self confidence and in turn gain practical experience. GCM organizes industrial visits for students of business studies, hotel management and travel and tourism.
Our scholars are assured of exploring out of field visits and outdoor exposure programs which take place in fixed frequencies over each academic session for all levels and participated by faculty and students together.
Happiness leaves no bound for me to invite all scholarly minds to take this marvellous opportunity to join GCM for a prosperous study career. At GCM, we run management courses that are specifically geared on through excellent teaching, learning and research facilities as demanded by time contexts and the nature of the subject. We follow a holistic approach in producing critical, adaptable and skilled graduates who can serve our country with uncontestable caliber.

Students are integral part of GCM family and hence, we consider their contribution, participation, personal growth and development beyond the classroom as well. Keeping the learning needs on top priority, we focus on academic presentations, personality development programs, social work and relevant co-curricular activities. We strive to ensure that attending GCM will be wonderful and fulfilling experience for the scholars with learning attitude. At GCM, we are dedicated to working closely with every member joining us in order to help mastering the courses and select a satisfying career goal so as to chart future success in the management area.

Lastly, I wish that our students grab the optimum out of the congenial environment at GCM enriched with prompt services, facilities and opportunities. I sincerely welcome all the interested scholars after SLC to be a part of GCM family for broad intellectual horizon and share the spirit of the true Globalian culture round the globe.

Rajan Khatiwoda
Program Coordinator
Achievement is the succession of team work and participatory approach that eventually is reflected in the celebrating and cheerful moments with GCM achievers.

MESSAGE FROM THE PROGRAM DIRECTOR

Dear students and guardians,

I feel proud to announce that MBS, TU affiliate post graduate degree at GCM, is indeed a model academic program under operation in the direct involvement and supervision of renowned professors and dignitaries from the management related subject areas. From my capacity as the program director for this level, I have ever strived to incorporate skill oriented pedagogy apart from the theoretical teaching learning activities. MBS at GCM is completely practical, research based and project oriented program and to attain this end, the scholars are exposed to ‘learning by doing’ pattern. The central thrust of the curricula of MBS is placed on the internship, industrial tours, project making and presentation, self expediting of the career prospects under the caring guidance of professors and faculties. Context relevant seminars, workshops and market study exposure programs are part of regular curricula of MBS at GCM. I take pleasure to conclude that MBS at GCM is valuable academic program leading your future to prospective end. I, thus, invite all the potential and career seeking young women and men to gain incredible experience of this opportunity.

Ganga Dhar Dahal
Program Director
We strive to assemble the highly reputed, competent and mentoring faculty along with the probing minds to address high academic goals at the top priority.
GCM claims a distinct academic foundation for spiritually teamed force driving every moment of its scholars into a future emanating happiness and success as a result of individual and collective working spirit.
A young, dynamic and potential team under the guidance of seniors, works enthusiastically to excel the quality of teaching in overall aspects. Faculty members and administrative staff are highly motivated and dedicated to ensure conducive learning environment at the college. Therefore, the college has high potentiality to offer a wide range of educational programs to meet and even excel the requirements of our stakeholders. High degree of discipline is maintained by our faculties which has carved a niche for GCM in leading the academic environment. This has paved a smooth way to quality education in a quality setting.

Highly committed team of professors, educationists, researchers, authors and subject experts is the working strength of GCM inspiring all its stakeholders to achieving its vision “an excellent center for management studies.”
“Without any hesitation I can say that three years of learning at GCM has not only imparted me knowledge but has also made me a person with all round personality having a positive attitude towards life.”

- Priyanka Upadhyaya, BBS Topper (2005/2008) Lately MBA from KU
The college management believes that students not only consolidate their professional confidence through completing the prescribed course of studies, but services that aim at student problem solving result into miracle for them. The college administration believes on counseling pedagogy in lieu of penal measures applied to bring correction on students’ discipline. Comprehending the same, it is taken as a part of regular curricula at GCM. In addition, career counseling is a follow up program besides course counseling offered along the enrolment process operative throughout the academic sessions. Students are frequently exposed to expert counselors and full time counselors are deputed to support the students in their need.

“Having studied for two years at GCM, I have realized that GCM is the best platform for the deserving students to pursue their dream. I am proud of my choice.”
