I must take this opportunity to congratulate all our students, parents, Global faculties, administrative staff members, and all our stakeholders for all your support in converting GCM into an unparalleled academic center for Management studies. Global College of Management has left no stone unturned to achieving today’s academic height under the academically sound management team that vowed to develop GCM into a quality educational institution for those students who aspire to excel and conquer something meaningful in their life professionally. A retrospective view reveals that the progress achieved thus is not far from being decent. We are, however, not being complacent.

Identically, I feel confident to reiterate our commitment to promoting close relationship with the business community, making our institution an exciting one to associate with. Dynamic and deserving students of business studies are best served at GCM, we would like to make it loud and clear. Quality education guaranteed at GCM and the associated costs simply reflect our determination to create a healthy competitive environment in Nepalese education sector. We expect cooperation of everybody in our noble endeavor toward providing affordable quality education in Nepal.

Global College of Management

Vision
GCM aims to be an internationally reputed learning center recognized for academic excellence in teaching and research in business and management.

Mission
> to develop managers, entrepreneurs and market leaders through market-friendly, accessible, flexible and innovative academic programs;
> to develop management graduates who would be able to grasp local, national and international economic needs and serve accordingly; and
> to develop management graduates who would be excellent managers and entrepreneurs and also be socially very responsible citizens.

Objectives
> to develop management graduates at various levels with sound management knowledge, skills and values along with positive leadership qualities;
> to motivate students in a caring and conducive learning environment to bring out the best in them;
> to instill creativity and innovativeness in the students through motivational approach of personalized nurturing guidance;
> to make learning and living at the college a wonderfully pleasant experience for all and develop a strong yet tender bond of friendship and fraternity; and
> to establish relations with universities and research institutes of Nepal and abroad in program enhancement.

GCM Philosophy
Being a management focused learning center, Global College of Management aims to produce multitalented human resource in the area of management who can deal with the challenges in this rapidly changing globalized world. GCM conducts a wide range of extra-curricular and co-curricular activities to develop the all-round personality of students. These activities are very much useful for physical, emotional, intellectual and social development of the students. Participating in out-of-the-classroom activities helps students to understand the importance of critical thinking skills, time management, and academic and intellectual competence. The guest lecture series on contemporary issues, motivation and positive attitude have ever been helpful to broaden students’ thinking horizon at GCM. The college always emphasizes in the self-disciplined, self-motivated, self-respect, and result-oriented learning environment. The faculties, management team, and administrative staff are dedicated and committed to deliver services with utmost care in a corporate culture. At this juncture of time, the college has proven its super strength on attaining highly appreciable result as well as reputation in the market by ensuring quality education. I would like to extend hearty congratulations for these achievements to all GCM team of management, faculties, students, and the guardians and would feel honored to welcome all our stakeholders to move forward with the spirit of learning ahead.

Nar Bahadur Bista, PhD
Former Principal, Presently Director
GCM is miraculously the most recreating learning center where creative minds not only screw up their talents with text books, but instead, an exposure to socio-cultural events like dance, music, arts and craft etc held in instant regularities help Globalians to experience magic change in their life.
Student Centered Teaching Methods

TEACHING METHODOLOGY AT GCM IS VIRTUALLY MODERN AND STUDENT-CENTERED. IT IS SUPPORTED BY MUCH UPDATED TEACHING LEARNING TECHNIQUES THAT INVOLVE ACTIVE CLASSROOM PARTICIPATION OF STUDENTS AND FACULTIES. OUR MULTIPLE TEACHING METHODS ARE: IN-DEPTH TEXTUAL ANALYSIS AND COMPREHENSIVE IN-CLASS EXERCISES ON BUSINESS CASES FROM NATIONAL AND INTERNATIONAL BUSINESS ARENAS.

Various activities such as tutorials, seminars, library research, self-study, presentations and discussions, study visits, project works, and many more are the most regularly used teaching techniques at GCM. The college places special emphasis on the need to continually learn in this rapidly changing world so that learners are prepared to tackle with real life changes. The exceptional objectives as such can be achieved if learning is not limited to acquisition of knowledge from the text books alone.

All the techniques used at GCM are tested and trusted as being exceptionally active teaching-learning approaches adopted in the progressive and result oriented institutions.

GROUP WORK
GCM is founded on the philosophy to excel in the management education and for this, a culture that logically prepares students for making efforts in the team work is a must so that learning minds acquire knowledge of how to deal with varying dimensions of business in groups. In this direction, students are assigned group activities in all subjects by the concerned faculties on regular basis within and off the class hours. Groups are generally given special problems on various topics for the members to actively unfold solutions that the students are instructed to bring about by carrying out intensive and extensive reviews of the gamut of literatures that suit their level of program from +2 through BBS and MBS.

CASE STUDY
Students are assigned the case studies of business organizations as individual assignment projects in line with class activities so as to comply with the internal evaluation process of the courses from +2 through BBS and MBS. Research based cases are selected for students to attempt analysis and evaluation of the issues presented in the cases. The case studies are level and area specific so that students of all levels can work on them. Concerned faculties are deputed to evaluate students’ aptitude in approaching the cases.

SUBJECT- WISE PRESENTATIONS
Presentation is a core stream of teaching pedagogy and so has been endorsed in all subjects of management stream such as Accountancy, Economics, Business studies, Computer science, Mathematics, Hotel management, English, and Nepali at GCM and is practiced to direct the whole curricula of management so that the human products in their post college life rejoice career fronts as leading managers or entrepreneurs.
GCM faculties give students freedom to select the topics of their choice in the subject areas in certain frequencies for them to come with the power point presentation. Technical and logistic support to prepare power point presentations on the topics assigned as a part of internal evaluation is identically provided by the faculties, presentation experts and the college administration.

**HOMEWORK, ASSIGNMENTS AND PROJECT WORK**

GCM emphasizes on entrusting learners with responsibility and modelling them as the responsive individuals who would come out with decent working culture through their career life. In order to address this learning, our students are assigned subject-wise homework and term based assignments. Board exam model question sets are special tools on use for the exam oriented assignments that the students are provided to help them boost their confidence. Besides, real-life learning projects are assigned to students in certain tenure for them to attempt in groups and present their projects before occasional gatherings at GCM.

**WRITING AND PUBLISHING**

GCM regularly offers its scholars with an opportunity to writing competitions throughout the year. Students themselves are involved in such programs and also publish newsletters and college magazines apart from a wide range of contests like debates, quizzes, music, singing and more... organized at several occasions. Utmost care is given to ensure participation of each student in writing for the college magazine and graduate level students can contribute their survey or research based creations to be published in the college journal, an annual research publication involving faculties, researchers and students practically. The college tends to publish brochures, prospectus and news bulletins in combined efforts on behalf of students, faculties, GCM alumni and guest professionals.

**USE OF MODERN TECHNOLOGY**

Teaching and learning at GCM is virtually supported by high-tech modern technology. The college is equipped with advance digital technology in all its resource areas. The sections as computer lab, library, class rooms, seminar and activity hall, faculty cubes and MIS department are all provided with an access to WiFi and internet facilities. All the active locations of GCM bear the facility of power-point projector, audio-visual, online access facility so that faculties and students feel motivated to be involved in spontaneous study as stepping into GCM entrance gives a feeling of entering an online and academic resource center.

**CODE OF CONDUCT**

Living in a society requires everyone to abide by its rules and regulations in order to achieve the celebrated values at par. GCM is a society of professionals and aims at imparting quality education along with high degree of social respect and morality. The college gives importance to right attitude and discipline, in this regard, students along with the working personnel of the college are handed over college code of conduct and terms of reference respectively so that the institutional values are respectfully observed by all its stakeholders.
Extra Curricular

ACADEMIC AND CULTURAL LEARNING
GCM lays special emphasis on cultural as well as academically skill oriented programs such as arts and craft, dance and music, dramatics, and sports programs. The college observes several occasions and celebrates days so that students get an opportunity to exhibit their additional aptitude in cultural events, entertainment and stage performance activities.

SOCIAL WORK
Promoting active participation in social events and in needed hour, a noble concept of social responsibility is intently instilled in the students at GCM. To achieve this goal, students are highly encouraged for active participation and for lending supportive hands to the needed sections in the immediate vicinity and across the nation. GCM scholars regularly participate in social events like social awareness program, blood donation, fund collection campaigns during natural calamities and many more voluntary social services.

INDUSTRIAL VISITS
The college has established official links with many business houses in and out of Kathmandu valley so that students have an opportunity to visit and explore various business related skills, components and commercial culture system. Industrial visits and internship programs as such help to build up students’ self-confidence and in turn gain practical experience. GCM organizes industrial visits for students of business studies, hotel management and travel and tourism at least once in a year whereas there are several occasions that the students are taken on one day excursions most often as needed in different subjects.
Owing to significance of practical learning, GCM has liaised with market forces such as banks, corporate houses, star hotels etc. for training packages in relevant subjects such as accounting package, hospitality management, personality development training and more...
Our Achievements

GCM HAS LENT SPECIAL FOCUS ON COGNITIVE CO-CURRICULA APART FROM ACADEMIC SUBJECT KNOWLEDGE DOMAIN WITH A VIEW TO HELPING THE STUDENTS BUILD UP CONFIDENCE AND ENHANCE LIFE SKILLS, AS THE SPECIAL REQUISITES FOR BEHAVIORAL AUGMENTATION.

The college has constantly ensured commendable achievement at various levels from the very beginning of its foundation. Outstanding board & university results are super achievement indicators to be considered for comprehensive view of the quality guaranteed in the field of management studies by the college till the date. The students have frequently experienced distinct performance accreditations on successful accomplishment of board & university final examinations. Besides, the GCM students are marked throughout their involvement at the college being benefitted enormously from co-curricular competitions at inter-college, regional, national & international level. The continuously achieved outstanding results prove GCM as an achievers’ haven in the higher studies.

Apart from the academic achievements, the graduates and post graduates from GCM have wrought distinct profile in the field of professional achievements across the nation and abroad.

Academic Supervisor Says...

I am sure in pronouncing publicly that distinguished professionals in the governing body of the college, academically deserving team of faculties, intellectually potential multitude of students, very supportive guardians and parents are the key pillars of our esteemed college owing to that GCM exceptionally exalts as being the number one college of management studies among a few renowned academic institutions. About a decade- long association with GCM family permits me to assure that GCM is in the mind and heart of every stakeholder in pursuit of management studies from +2 through BBS and MBS and the reason behind that all is none other than its benchmarking image in delivering quality education that truly distinguishes GCM from a number of institutions due to unparalleled physical, intellectual and learning environment assured in full capacity to each student as special member of the college.

Amba Datt Joshi, Academic Supervisor
GCM is for paradigm shifts in education and for this, students are availed with age-appropriate outreach adventurous and experiential opportunities to augment theoretical underpinnings into real life learning.
It has been a deep rooted culture at GCM that every member of GCM irrespective of position or group whether student, faculty or administration staff is treated with due respect and extended humanly support in the complexities while being engaged in learning or working to facilitate learners as the real stakeholders of the institution. This has factually helped the entire organization function as the distinct place where everyone; service provider and service receiver is engaged in learning process and commits to managing change keeping the college substantially true to being a centre of management studies and profession.

We twin up our teaching philosophy with our most revered vision as being the centre of excellence in exclusive management studies and start our day with role model principles on our own so that our learning minds automatize their learning in the same direction through insight and inspiration from hard working culture that we have established lavishly. Owing to the exceptional quality, maintained at the intra-organizational level and culture of self-discipline, we are convinced at large that GCM in true sense assures of a very conducive environment where all the career oriented and professionally renowned personnel along with very promising learning minds have ever experienced their dreams coming true over its successful academic journey of ten years.

Hence, I feel there is no need to hesitate in claiming that GCM, a name too persistent in everyone’s mind, is ever a first priority of all for management studies. The college environment is revitalizing over all moments of learning due to active presence of highly renowned think tanks. The executive team inspired to work in path finding spirit has ever strived to make all Globalians as family members feel homely to dedicate for productive learning to enjoy prospective career. I hereby invite all to join GCM and enjoy great times ahead.

Damaru P. Poudel
Vice Principal
Dear Career Oriented Students!

I feel profoundly honored to express that it is a great privilege to be working at GCM with true spirit for your bright future that you really expect to come true through a dynamic collaboration the college has proven for building all your aspirations.

We are inspired to work and dedicate our professional services for building career of our students as the nearest stakeholders through excellent student care- oriented services, professional teaching and research facilities in the most demanding manner possible.

At GCM, we give special focus on student – services particularly in resolving their behavioral queries and facilitating them for obtaining real-life skills. The pedagogy is ever reviewed and modified so as to address the most coveted needs of students and therefore, a new comer or a graduating scholar from our college often celebrates the life while staying at the college or carries all the brilliant memories of being with us forever. We thrust upon a democratic approach and lend our students ample opportunities to self-rejoice the values of learning stage and freely explore their new horizons on their own but without distorting cultural and institutional dimensions GCM is widely known for among the learning generations of today.

I do have a feeling that students are the integral part of an academic institution and hence, educators must make optimal effort in promoting their participation, personal growth and holistic development responsively. In this regard, we strive to assure that attending GCM will be a wonderful and a pleasant experience for all the scholars.

In this regard, I must make bond to welcome all of our students and parents to this esteemed college of management where we will direct every piece of our effort for broad intellectual horizon and share the spirit of the true Globalian culture round the globe.

Counselling

The college management believes that students not only consolidate their professional confidence through completing the prescribed course of studies, but services that aim at student problem solving result into miracle for them. In this direction, psychological counselling is a very strong tool to address learning needs and career prospects of learning individuals in shaping students as competent learners, professionals and able work force in their immediate future. Counselling is a motivational approach in lieu of penal measures aiming to bring about correction in students’ behavior and hence, counselling is a part of regular curricula at GCM.

Career Counselling

Career counselling is a follow up program in line with the psychological counseling offered right from the time students get enrolled and continues through till the end of the academic session. Students are frequently exposed to professional career counsellors, and throughout their stay at GCM, full time counselors are deputed to extend support to address students’ quests about how to select subjects to capture career directions.

Motivational Lectures

GCM exposes its scholars to motivational lecture sessions at various occasions while special events are organized. Distinguished guest personalities and celebrities are invited to deliver motivational lectures and hold inspirational talks. There are a number of workshops on various management related issues held in presence of national and international dignitaries. The key objective behind such programs is to help students be acquainted with cross-cultural issues of business and learn to develop working personality with optimism.
